ART DEPARTMENT

Art Department Attendance/Participation Policy

Attendance goes hand in hand with participation. One cannot participate in daily exercises and critiques if not present. School policy allows no more than eight absences for a MWF course and six days on a T/TH course; however, the Art Department finds this quantity unacceptable for a maximum grade. If one is absent for academic or athletic reasons, a notification will be made but it will still count as an absence. Students must try their best to not miss class in order to make the best participation grade. Being tardy (late) and early departures also greatly affect your participation grade. These are seen as signs of unprofessionalism. At Limestone, the Art Department strives to create a standard to prepare one for the real world.

Here is the Art Department grading policy for attendance as it relates to your participation:

- A= MWF: 0 tardies/early departures and no more than 2 absences**
T/TH: 1 absence in a T/TH class. No early departures.
- B= MWF: No more than 2 tardies/early departures and 0-4 absences**
T/TH: No more than 1 tardy/early departures and 0-2 absences**
- C= MWF: No more than 2 tardies/early departures and 0-6 absences**
T/TH: No more than 2 tardies/early departures and 0-4 absences**
- D= MWF: No more than 2 tardies/early departures and 0-8 absences**
T/TH: No more than 2 tardies/early departures and 0-6 absences**
- F= MWF: Over 8 absences or repeated tardies and or early departures

**3 tardies = 1 absence
