2019 High School Honor Band

Euphonium T. C. - High School Chair Placement

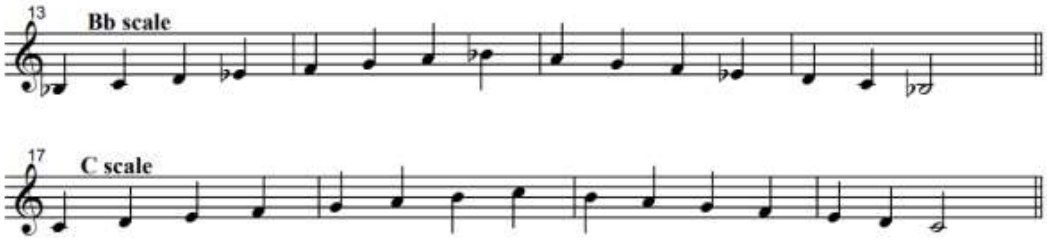
Audition videos must be submitted using the online form on the Limestone High School Honor Band website. Each student must submit an **individual** audition. Students will need to upload **an unlisted youtube video or share a video via google drive or dropbox** of the audition and copy and paste the link of that video in the completed online form.

If a student is selected into the high school honor band and chooses not submit a video audition by the deadline date posted, that student will be placed at the bottom of their section.

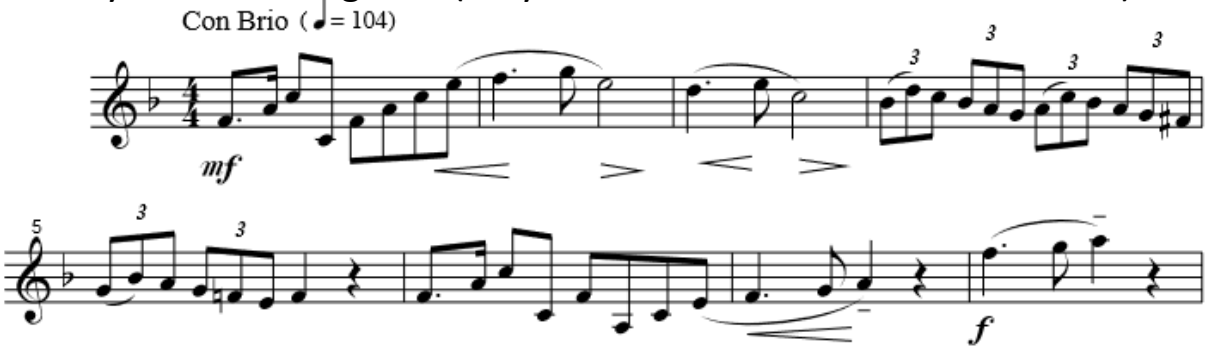
Chair placement will be determined by the performance of the following material.

When creating your video, say the following at the beginning of the video:

1. Your Name (Student First and Last), Your School and Your Instrument.
2. Play the following scales (only one take of each scale on the video):



3. Play the following solo (only one take of the solo on the video):



Upload and submit each individual student on the Limestone High School Honor Band page using the online chair placement form.
